Dear Mr. Balasundaramiyer,

With reference to your D. O. letter No. G.9334/G.M.289-17-20 dated the 10th instant, enquiring if the * marginally noted Police officers cannot be asked to put in drills and musketry practice under the Indian Defence Force Rules, I write to say that any other duties tacked on to Police officers must necessarily interfere with their regular work. Nevertheless, Messrs. Dunning, Wynne and R. F. Walton, who are on Kolar Gold Fields may, if particularly desired by the military authorities, be required to put in the drills and musketry practice, provided they are held close to the Fields and also for a short time at stated hours only, so as to permit of the officers attending to their regular duties during the remaining hours of the day.

*

Mr. J. E. Dunning,
,, G. H. Walton,
,, M. Wynne,
,, R. F. Walton and
,, G. Norris.

As regards Mr. G. H. Walton, who is in Bowringpet and Mr. Norris at Hassan (as Inspector of the Mysore -

Arsikere Railway line), it will not be possible for them to attend the drills and musketry practice (for which they have to go outside their stations), unless they are relieved of their police work, and substitutes allowed to be appointed in their stead.

Yours sincerely,

In continuation of this office letter No.P.S.491 dated 15th August 1917 on the above subject, I have the honour to inform you that the last exemption from Military service granted to Mr. R. E. Bury, Carriage and Wagon Superintendent, Mysore State Railways, expired on the 30th instant. In consequence of the opening of the Mysore-Arsikere Railway for public traffic from 3rd January 1918, the work of the Department has further increased and in its interest I request you will be so good as to arrange for the total exemption of Mr. Bury from Military service.

I have the honour to be,

Dear Sir,

The Hon'ble the Resident seems to have told the Dewan that many of the Police Officers of Mysore may be asked to undergo training under the Indian Defence Force Rules.

The accompanying draft reply has been prepared.

I am desired to state that before issuing it, Govt would be glad to have your views on the subject.

Kindly send a reply as early as practicable.

2. The Chief change in the lists now sent is that the names of a number of police officers have been removed from list 1 to list 2. In regard to these there might be no inconvenience in officers stationed in Bangalore and in the Kolar Gold Fields putting in the required number of drills. But in regard to officers stationed in other places it might not be possible for them to undergo the usual training. If you consider it essential that they should also be made available for training I shall see whether they can be transferred to Bangalore, Kolar Gold Fields or Mysore where facilities for training can be provided.

D.O. No 13.

5/2/18

Bangalore.,

4th February 1918.

Dear Sir,

With reference to your D.O.No.G.10655/G.M.289-17-30 dated 2nd instant asking for my opinion in regard to the draft reply proposed to be sent to the Residency in the matter of the Military training of certain Police officers under the Indian Defence Force Rules, I beg to state as follows:-

In respect of the European and Eurasian officers on the Kolar Gold Fields, so long as their number is not large and there is a sufficient number of Indian officers on the Fields to look after their work in cases of emergency during their absence, it may, as already stated by me in my D. O. No.11 dated 25th ultimo, be possible to permit them to undergo Military training in addition to their duties provided the training is given only for a short time and during certain fixed hours every day.

As regards Mr. Hayes, it will be impossible for him to attend the Military drill daily in Bangalore as he is liable to be called away on urgent work at any time to distant parts of the District.

Mr. Everard (Chief Inspector, Bangalore City) will also find it very difficult to attend to the Military - training in addition to his duties, which are sufficiently taxing and onerous. If the Military training of these officers is to be insisted on, it will be necessary to relieve them of their present charges and make other arrangements for their work during the period of their training.

As regards the European officers in the mofussil, I don't think in the first place that it will be feasible or even desirable to transfer all of them to and concentrate them in Bangalore or Kolar Gold Fields, and secondly, even if they are so concentrated, that it will serve to simplify matters, as it will be impossible for reasons already stated for all the Police officers in Bangalore or the Fields to attend the Military drills daily without serious prejudice to or dislocation of work.

In the above circumstances, I would urge that with the exception of the few Inspectors and Sub Inspectors now on the Fields, the rest may be exempted from training under the Indian Defence Force Rules. If, however, this is not feasible and the training of these officers is to be insisted on, they will have to be relieved of their duties and substitutes entertained in their places during the period of their training.

Yours sincerely,

P.S. - I wish to bring to your notice that the names of Mr. J. F. Anderson(Police Inspector, Kolar Gold Fields) and Mr. J. A. B. Ball (Inspector working now in Bangalore) are omitted (I don't know on what grounds) in the list attached to the draft letter to the Residency.

Re: Exemptions from Military Service.

5469/En3 --------

Bangalore
6. 2. 18

Gm 289-17-34.

My dear Mr. Cobb,

With reference to our conversation sometime ago about the utilisation of European officers of the Mysore Service for military purposes, I send herewith three lists showing the names of officers who require -- total exemption (List No.1) those who are available for ~~general~~ Local service. (List No.2) and those who are available for general service (List No.3).

In the list appended to Chief Secretary's letter No.Pol.153 dated 11th August 1917, total exemption on behalf of Mr. R.E.Bury, Carriage and waggon Superintendent, Mysore State Railway only till 30th January 1918 had been asked for, but in consequence of the opening of the Mysore-Arsikere Railway for public traffic from the 3rd January 1918 it is found that -- total exemption in his case is very necessary.

Mr. Pritchard, Superintendent of Police, K.G.F. ~~Bangalore~~ Mr Hayes, Supt of Police, Bangalore and Mr.W.Wright, Chief Jailor Bangalore, were granted total exemption by the Exemption -- Tribunal that sat in 1917, in view of the nature of their duties. They cannot put in the necessary drills -- without prejudice to their duties and consequently their names are included in list No.1 referred to above.

There are nine other Police -- officers in the State Service who may be called upon to undergo training -- and they are stationed at various -- places as shown below :-

Mr. Howell	Kolar Gold Fields.
Mr.J.E.Dunning	-do-
Mr.T.Wynne	-do-
Mr.R.F.Walton	-do-
Mr.J.F.Anderson	-do-
Mr.J.H.Walton	Bowringpet
Mr.J.A.B.Ball	Bangalore
Mr.C.Everard	-do-
Mr.Norris	Hassan.

All except Messrs. J.F.Anderson and J.A.B. Ball were given total -- exemption by the Tribunal.

Nevertheless they may be asked to undergo training if sufficient facilities for the purpose are afforded .

It is believed that Bangalore and the Kolar Gold Fields are the only -- two centres where training is given. If all these police officers are required to undergo training at the same time it will lead to practical difficulties. It would be convenient if training can be given to them in batches of three.

It is also desirable that they -- should be given training during certain fixed hours every day so that they may be able to attend to their duties as

Police Officers at other hours, and the training may be for as short a period as possible consistent with -- efficiency.

If these views commend themselves to you I shall, on hearing from you issue necessary instructions to the Police Officers concerned. If any modifications are considered necessary ~~suggested~~ your suggestions ~~they will [illegible]~~ will receive our best attention.
